**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and a small business owner in Half Moon Bay CA writing in support of our local small independent ISP provider who have been wonderful in our community. Previously I had ATT and sbcglobal, everything was a hassle and rates were much higher. I now have much better customer support and better rates. I oppose the petition of the petition of the giant telephone companies to limit competition and raise prices.
